[Original: English]
[17 March 1998]

1. The Government of the Democratic People's Republic of Korea is of the position that the embargo imposed by the United States against Cuba, in whatever form, should be lifted at the earliest possible date as it constitutes a contravention of the purposes and principles of the Charter of the United Nations and international law.

2. At present, the economic and trade relations between the Democratic People's Republic of Korea and Cuba are developing favourably on the basis of equality and mutual benefits.
